Subject: Comments of the Midwest Ozone Group on the OTC 184(c) Recommendation

Dear Ozone Transport Commission

Please find attached the comments that are being submitted on behalf of the Midwest Ozone Group ("MOG") in response to the Ozone Transport Commission notice of public comment period regarding the "OTC Recommendation for Establishing Daily Limits for Coal-Fired EGU's in Pennsylvania to Ensure that Existing Control Technologies are Optimized to Minimize Nitrogen Oxide Emissions Each Day of the Summer Ozone Season". These comments can also be found on the website of the Midwest Ozone Group at this location: http://midwestozonegroup.com/files/MOG_184_c_Comments.pdf.

You will notice that these comments contain links to all seven exhibits that support the comments. Nevertheless, I will be submitting you in subsequent emails, PDF copies of each of those exhibits. If anyone else receiving a copy of this email would like to receive PDF copies of any or all of those exhibits, please contact me.
